Why Study Chinese?

Mandarin Chinese is the most widely spoken language in the world with 1.4 billion native speakers. China is one of the world’s oldest and richest continuous cultures, reaching back 5000 years. China is now the second largest economy in the world, and the second biggest trading partner with the US.

At MIT, are you considering a MISTI internship in China, Hong Kong, Taiwan or Singapore? Chinese IV (21G.104) or equivalent proficiency is recommended for participation in some programs.
