2020–2021
Why Study German?

German is spoken by 95 million people, and is the most widely spoken language in Europe. Germany is a multicultural society, a global economic and scientific hub, and the largest European trading partner with the US. German is indispensable for advanced study in areas such as science and engineering, as well as literature, media, architecture, and cultural globalization. At MIT, are you considering a MISTI internship in either Germany, or Switzerland? German IV (21G.404) or equivalent proficiency is required for participation.
