2019–2020
Why Study Portuguese?

Portuguese is spoken by over 230 million people worldwide. In addition to Brazil and Portugal, it is the official language of Angola, Cape Verde, East Timor, Guinea-Bissau, Mozambique, and São Tomé and Príncipe. Also, it is the third most commonly spoken language in Massachusetts. Brazil is the 8th largest economy in the world and the economic superpower of Latin America. Likewise, Lisbon is emerging as a tech hub for Europe. Of course, Brazilian culture, and musical genres such as samba and bossa nova are widely appreciated around the globe.

At MIT, are you considering a MISTI internship in Brazil or Portugal? Coursework in Portuguese language is strongly recommended.

IAP 2020

21G.801 Portuguese I
Introduction to the language and culture of the Portuguese-speaking world, with special attention to Brazilian Portuguese. Focuses on basic oral expression, listening comprehension, and elementary reading and writing. Students develop their vocabulary and understanding of grammatical concepts through active communication. Coordinated language lab program. Designed for students with no knowledge of Portuguese. Taught in Portuguese. HASS-H

Portuguese Schedule

Fall 2019

21G.803 Portuguese III
Expands the breadth and depth of students’ skills in understanding, speaking, reading, and writing Portuguese while continuing to provide exposure to the history and cultures of the Portuguese-speaking world. Uses short stories, films and music to study issues of historical and current interest. Taught in Portuguese. HASS-H
MTRF, 10-11, N. Dominique

21G.811 Conversational Portuguese (NEW)
An intermediate-level course designed to build the student’s vocabulary and improve oral communication through discussion of topics related to cultural and social aspects of Portuguese-speaking societies. The course aims at providing extensive listening and speaking practice in oral discourse, including dialogues, narrative and description, with great emphasis on everyday life situations. Taught in Portuguese. HASS-H
TR, 11-12:30, N. Dominique
