Why Study Portuguese?

Portuguese is spoken by over 230 million people worldwide. In addition to Brazil and Portugal, it is the official language of Angola, Cape Verde, East Timor, Guinea-Bissau, Mozambique, and São Tomé and Príncipe. Also, it is the third most commonly spoken language in Massachusetts. Brazil is the 8th largest economy in the world and the economic superpower of Latin America. Likewise, Lisbon is emerging as a tech hub for Europe. Of course, Brazilian culture, and musical genres such as samba and bossa nova are widely appreciated around the globe.

At MIT, are you considering a MISTI internship in Brazil or Portugal? Coursework in Portuguese language is strongly recommended.
